1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In claim 11, line 2, change "ureceived" to received.

In claim 11, line 15, delete the word, "being".

3. The following changes to the drawings have been approved by the examiner: Figures 6, 7, and 8 should be labeled "Prior Art". They match Figures 5, 7, and 1, respectively, of Tanaka et al. (Patent No. 5,724,602). In order to avoid abandonment of the application, applicant must make these drawing changes.

4. Any inquiry concerning this communication should be directed to William M. Treat at telephone number 703 305 9699. The examiner works at home on Wednesdays but may normally be reached on Wednesdays by leaving a voice message using his office phone number.

The examiner also works a flexible schedule but may normally be reached in the afternoon and evening on three of the four remaining weekdays.

5. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
